

Executive Profile

Scott DeGiorgio
General Manager
Automotive Repair Solutions

Scott DeGiorgio is the general manager of the automotive repair solutions group at Mitchell 1, a leading provider of information to the automotive industry since 1918. In his current position, DeGiorgio oversees product management and business management for the repair information product line consisting of the OnDemand and ShopKey branded repair and transmission products as well as the commercial vehicle division which provides technical information for vehicle maintenance, service and repair for the commercial truck and trailer markets.

DeGiorgio comes to Mitchell 1 with over 20 years of executive management experience with leading OEM and component manufacturers. As general manager of sales & operations for Great Dane Trailers, DeGiorgio was responsible for the company's highly successful aftermarket parts distribution. Prior to joining Great Dane, DeGiorgio served as general manager of the service parts division of Grumman Olson, a leading manufacturer of vehicle bodies for the heavy vehicle market and as the director of sales & marketing for Red Dot Corporation, makers of heating and air-conditioning solution for heavy-duty vehicles. DeGiorgio graduated from Monmouth University in New Jersey with a bachelor's degree in business administration with an emphasis in management.
